

History of Nordic competitions

Known missing or incorrect informations as 1.10.2014

There has been 296 competitions under the umbrella of the Nordic cooperation since 1949, including the cross country championships later this year. All competitions are in place. No individual athlete is known to be missing.

Even so there are missing information:

1. Possibly are some athletes from some competitions missing when they ended up as disqualified/did not finish/did not start.
2. Many wind readings is missing.
3. Several individuals in relay teams are missing and some more may be in the wrong running order.
4. Series in combined events are missing, especially in the older competitions.
5. Local venue (stadium etc) name misses many places.
6. Series in technical events goes back only a few years. Any additions are welcome.
7. Specifications of events in combined events possibly incorrect in some years.
8. There could be some mistakes in headlines of age groups.

Any corrections and additions are most welcome and can be sent to ole.petter.sandvig@friidrett.no

Thanks for all help so far. Foremost to Børre Liloe (NOR) and also to Juraj Gasparovic (SVK), Jonas Hedman (SWE), Bengt Holmberg (SWE), Juhani Jalava (FIN), Peer Jensen (DEN), A. Lennart Julin (SWE), Børre Liloe (NOR), Mika Mukka (FIN), Friðrik Þor Óskarsson (ISL), Christer Svensson (SWE) and Andreas Thornell (SWE).
